

STEM Connect Program

A knowledge exchange collaboration brought to you by the ExxonMobil Foundation in support of STEM teachers.

HOW DOES IT WORK?

The STEM Connect Program pairs middle school math and science teachers with ExxonMobil industry experts, including scientists, mathematicians, engineers and tech professionals.

The goal is to bring STEM careers to life for teachers and students and help inspire the next generation of STEM professionals.

Interested in making a difference in the lives of STEM teachers and students?

**CLICK TO REGISTER FOR
AN INFORMATION SESSION**

WEDNESDAY
5/22

9 a.m.
2 p.m.

TUESDAY
5/28

9 a.m.
2 p.m.

WHAT IS IT?

The ExxonMobil Foundation STEM Connect Program allows teachers to build authentic connections with ExxonMobil STEM professionals to gain realistic insight into their daily activities.

Students will benefit by understanding how their learning connects to potential STEM careers and seeing themselves as future STEM leaders.

KEY PROGRAM ACTIVITIES

Personalized matching between industry experts and teachers

STEM professional orientation & training

Opportunities to inspire the next generation of STEM professionals

Professional networking

Monthly in-person and virtual STEM professional-teacher touchpoints
